

# The Georgia Chapter needs your help for Program Support

## Direct Chapter Donation

We appreciate your donation to help our cause. We are in constant need of supplies, tools, lift trucks as well as funds for scientific study. Your donation is tax deductible, and will go a long way in our all volunteer organization.

Program	Amount
<b>Education and Membership Programs</b> Supports education about the American chestnut in schools and public forums to include membership communication, newsletters, community presentations and exhibits, school programs and related educational experiences.	_____
<b>Chestnut Breeding Programs</b> Supports the chapter's breeding program of pollinating regional American chestnut Mother trees in Georgia, pollinating supplies, and orchard maintenance for the progeny of the Mother tree program and blight-resistance testing.	_____
<b>Other</b> You may make an unspecified tax deductible donation to the GA chapter for discretionary use or may designate a specific program you would like to sponsor. Please specify below:  _____	_____
